Note to trainers and exhibitors,

Thank you all so much for your support throughout the years! We like to be the show to go to when you're starting out your young horses and riders, as well as your more experienced. We try to keep the rings and courses simple, yet nice enough to prepare them for that next step up. We feel that our shows provide a nice bridge between the local and rated shows, while keeping it cost effective. And, since you know we love our Thoroughbreds, keep them coming! We truly enjoy seeing them out there progressing in their second career. Stalls are available on a first come, first serve basis. Call or text (716)913-0392 to make reservations.

It's a wonderful honor to host this year's GVBA Fair. If you've taken the time and money to breed and develop a young horse....you deserve a place to showcase those horses

Thanks so much!

Becky & Jaime

RULES AND REGULATIONS FOR ALL GVBA CLASSES

Please read carefully before completing you entries

1. All foals, yearlings, two and three year olds and Suitability and Conformation Hunter entrants (except entries in Class 107) must have been foaled in New York State or sired by a stallion standing in New York State. Broodmares do not have to be New York bred.

2. A Thoroughbred is any horse registered in any stud book recognized by the Jockey Club. A non-Thoroughbred is any horse not registered as above. A half-Thoroughbred is any horse sired by a Thoroughbred stallion OR out of a Thoroughbred mare.

3. A Non-Thoroughbred Horse is any horse or pony bred/foaled in the territory of the 31 counties of the GVBA.

4. Horses are to be judged on conformation, quality, substance, and suitability to become, or in the case of dams, apparent ability to produce or beget hunters (unless otherwise noted). Transmissible unsoundness only to be considered in case of dams or prospective sires and dams. Yearlings, two-year olds, and three-year olds are to be judged for soundness.

5. "Manners and Condition Classes" were originally designed to encourage farmer-breeders to employ sound feeding and management practices with their mares and young stock. Their purpose remains today. MARES should be well handled, carrying good flesh commensurate with the age and demands of their foals, feet trimmed, and presenting a total picture of health and good care. The excessively fat mare showing signs of having been kept indoors, blanket-ed and handled in a manner contrary to sound breeding practices will be marked down. FOALS should show good growth, trimmed feet and a nice covering of flesh. They should be well handled, permitting the handler to lead them away from their dams, to pick up all four feet, and handle all parts of the body, head, poll, dock, etc. The soft, excessively fat, unathletic foal is not desirable. YEARLINGS should show good growth, ribs should have a good covering of flesh - excessive fat is undesirable. Feet should indicate continuous care and frequent trimming. Yearlings should stand and permit the handling of their feet, head, and tail. The handler may be asked to move the yearling out of place at a walk in a straight line and return to place jogging on a loose line. Yearlings MUST be shown in chaffney bits or bridle.

6. The administration of tranquilizers and other medication to any animal shown at this show is forbidden. Each exhibitor makes entry with the knowledge of this prohibition and agrees that any horse shown under his name (viz. at the discretion of the judge or managing committee) may be examined for the presence of such medication by a urine/blood test. The presence of drugs in the animal's blood and/or urine will disqualify the horse in question and all horses entered in the name of subject owner, from the payment of premiums, and all trophies and ribbons won will be returned to the Genesee Valley Breeders Association upon demand. A positive sample will be cause for suspension from the Genesee Valley Breeders Association.

7. Show management reserves the right to cancel, combine, split or re-schedule any classes, and to alter awards consistent with the number of entries.

8. BREEDING DIVISION: Exhibitors are warned that all persons entering the ring must

be suitable attired and neat in appearance. Failure to observe this rule will be cause for the disqualification of the entry and forfeiture of the entry fee. Children under 14 years shall not be permitted in the ring except in the mounted or Junior Handler classes.

By suitable is meant - protective footwear, workmanlike slacks or riding clothes, man-tailored shirts.

9. In cases of horses entered and not exhibited, entry fees will not be refunded unless withdrawal is accompanied

by a veterinary certificate presented to the Show Secretary within 10 days of the show dates. Stall rent is not refundable. No occupancy of stalls without show management approval.

10. The show chairman, property owner, or the Genesee Valley Breeders Association, Inc. will not be responsible for any accident, damage, injury or illness to horses, riders, spectators, or persons or property, whatsoever.

11. In order to receive the payment of any prize money, exhibitors winning more than \$60.00 must complete and submit to the Horse Show secretary, a W-9 which may be printed off the IRS form site.
